## *Skip Find-PLUS*

This is the original skip/stolen database! *Skip Find-Plus* allows subscribing companies to electronically share charged off and/or skip/stolen records between other subscribing companies on the back end. Fully integrated with DATATRUE's front end customer verification services, *Skip Find-Plus* is the ONLY skip/stolen/charge-off database to provide subscribers instant email alerts of current activity of these mutual customers. Information can be uploaded individually or in batch form.

Information Exclusive Only to *Skip Find-PLUS* subscribers
